A copy of the Toi '778 Chinese reference, the Chinese Office action and its English translation were attached to the Information Disclosure Statement.
2. In the Information Disclosure Statement filed on 18 February 2005, the Toi '778 Chinese reference was identified as "Chinese Patent Publication No. 1148778A to Toi, entitled PERSONAL HAND TELEPHONE SYSTEM, published on 30 April 1997."
3. In the Information Disclosure Statement filed on 18 February 2005, a concise explanation of the relevance, as it is presently understood by Applicant and Applicant's undersigned attorney, was presented for the Toi '778 Chinese patent
